YOUNG MEN

suffering with Weakness, Nervous Debility, Loss of Memory, Despondency, Aversion to Society, Kidney Troubles, or any diseases of the Genito-Urinary Organs, can here find a safe and speedy cure.

MIDDLE-AGED MEN.

There are many troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and weakness of the system in a manner the patient can not account for. On examining the urinary deposits aropy sediment will often be found, and sometimes small particles of albumen will appear, or the color be of a thin, milky hue, again changing to a dark or torpid appearance. There are many who die of this difficulty, ignorant of the cause. The doctor will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary organs.

Cattle Company is intervenor, it was ordered and decreed, among other things that the following described lots or parcels of land and real estate, situate, lying and being in the County of San Miguel and Territory of New Mexico, and better described as follows, to-wit:

Koolan, a special master duly appointed for that purpose, to satisfy the sum of two hundred and eighty-one dollars and sixty cents, with interest thereon at six per cent per annum, from the 10 day of March, 1896, and all costs and disbursements connected therewith.

Now, therefore, notice is hereby given that the above described land, premises and real estate, will be sold at public auction, to the highest bidder for cash, on Tuesday, the 6th day of July, A. THE NECESSITY

FOR THE SPECIALISTS.

DR. WAGNER & CO.

We offer no apology for devoting so much

time and attention to this much-neglected class of diseases, believing that no condition of humanity is too wretched to merit the sympathy and best services of the profession to which we belong, as many are innocent sufferers, and that the physician who devotes himself to relieving the afflicted and saving them from worse than death, is no less a philanthropist and a benefactor to his race than the surgeon or physician who by close application excels in any other branch of his profession. And, fortunately for humanity, the day is dawning when the false philanthropy that condemned the victims of folly or crime, like the lepers under the Jewish law, to die unhealed for, has passed away.

YOUNG MEN

Who may be suffering from the effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. Dr. Wagner will guarantee to forfeit \$500 for every case of seminal weakness or private disease of any kind, and character which he undertakes to and fails to cure.

MIDDLE-AGED MEN

There are many at the age of 30 to 40 who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient can not account for. On examining the urinary deposits aropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin, milky hue, again changing to a dark and torpid appearance. There are many who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. W. will guarantee a perfect cure in all cases, and a healthy restoration of the genito-urinary organs.

Consultation free. Thorough examination and advice \$5.
